Sunday: The Feast of Christ the King

News and Views

There has been a lot of publicity recently about the cost of living crisis, with inflation at a 30 year high. Food, fuel and energy prices are increasing but wages and benefits are failing to keep up. Inevitably this means more and more people are unable to meet their basic living needs – without adequate heating, clothing or nutrition. Coventry Diocese, along with many other organisations and charities, is offering support and guidance for anyone who is struggling financially. As well as lots of practical suggestions to help parishes save energy and money, there is also a very useful section of resources for households. One article provides information for consumers on the support they are legally entitled to receive from energy suppliers and through government support and discount schemes. The link is here:

Stockton PCC is offering a warm space in church, with hot drinks and biscuits available, on Sunday afternoons, Mondays and Tuesday afternoons. It is available for anyone to pop in.

Bishop Christopher recently expressed his thanks “for everything that everyone is doing right across the Diocese to maintain the ministry of the church – and indeed in these hard-pressed times to extend the ministry of the church to those in need.”

Events for the week

Monday 21st November – Priors Hardwick PCC meeting at 7pm at Pingle House

And finally

Today we celebrate the Feast of Christ the King – Jesus – our servant King, who was born in a stable, spent his early years as a refugee, ate with sinners, touched the lepers, talked with prostitutes and wore a crown of thorns. This is the prayer for the day: “God our Father, help us to hear the call of Christ the King and to follow in his service, whose kingdom has no end; for he reigns with you and the Holy Spirit, one God, one glory. Amen”

God bless,
Gillian
